PVC SCHOOL LUNCH PROGRAM 2019

MW KIDS is happy to be back at PVC school for the rest of the 2019 school year. We are offering a fantastic lunch program for the kids to enjoy. We have added new menu items, as well as revised some of our current menu items to best fit the needs of the PVC students and families. We hope the kids will enjoy the delicious lunches we will provide and the parents will appreciate the ease of ordering a large variety of available lunches for their kids!

To participate in the second semester 2019 lunch program, parents are required to purchase and choose all 40 meals from February 1- April 30 2019. You also have the option to choose more meals as well once the first 40 meals are purchased and selected through the end of the School year. Each meal will be \$6.

Parents will have the option to purchase and order meals from May1-June 21 after the first 40 meals are purchased and selected.

All lunches will be prepared fresh in our kitchen and delivered to the schools each day. Our service staff will deliver the bagged lunches to the kids at each of their individual lunch periods.

Lunches will include a freshly prepared hot or cold sandwich, Hot or cold entrée, fresh fruit and a variety of chips. Every week, we will include a fresh baked cookie for the kids to enjoy. All lunches will be delivered bagged in bio friendly paper, directly to the school with the child's name and lunch order tagged to the bag.

Parents have the flexibility to order through our online ordering system www.ezparentcenter.com. Follow the steps listed on the INSTRUCTIONS FOR LUNCH at www.mwkids.com.

All menus are listed on the site and parents can choose the meals they would like for their kids. Payments are made directly through www.ezparentcenter.com after parents sign up and create an account for their child.

Parents pay for the 40 required meals in advance, choose the meals for their kids from February 1- April 30 2019 and our staff will do the rest. Parents can also order for the full semester of meals as well, or choose meals a la carte once the 40 meal minimum is met.

Please contact our office for any questions. We are here to help guide parents through any of the ordering process as needed.

We look forward to feeding your kids delicious food through the end of the 2019 School Year!

Thank you.
